A complete digital application includes::

Application form (1) with resume (2) and answer sheet (3) in a PDF document titled 'application_firstname_lastname.pdf', where '**firstname**' and '**lastname**' are to be replaced with your own information.

Incomplete applications will **not** be processed.

Please note: Applicants **must** be 18 years of age or older at the time of signing the rental agreement.

Admissions Committee

Your application documents, in particular your resume and answer sheet, will be read by the admissions committee, which is made up of student representatives and the dormitory management. The admissions committee will then decide on the outcome of your application. Your data will be treated confidentially. It is only accessible to the administration and to the members of the admissions committee of the St. Alban Haus for a limited period of time.

Result

All applicants who have submitted a complete application in accordance with the above-mentioned procedure will receive notification of the decision of the admissions committee a few days after the application deadline.

Application documents

The application documents are kept for about one year and then destroyed. They can be retrieved in person from the secretary's office until then. A new independent admission procedure takes place for the following semester.

Maximum rental period

The maximum rental period at St. Alban Haus is six semesters. If you have already lived in a student dormitory in Freiburg, this time will be taken into account.
